

Offer Any Color Imaginable Using Solare GT by Texton

In addition to offering custom graphics or logos on solar shades, you can now take any color from a Sherwin Williams paint deck and match the color- all at one low price.

Texton has partnered with the digital media printing industry in order to combine the quality of our Solare Shades with all the colors, the patterns, and the styles you'll ever need.

Our Solare GT materials come in 1, 3, 5, & 10% openness.

The future of shades is here. Solare GT.

Imagine the possibilities.
