ACCOUNT NAME: \_\_\_\_\_

WORK ORDER: \_\_\_\_\_

SIDEMARK: \_\_\_\_\_

SHADE \_\_\_\_\_ OF \_\_\_\_\_

SHADE SIZE: \_\_\_\_\_ WIDTH

\_\_\_\_\_ HEIGHT

## FILE FORMAT:

- VECTOR — scalable graphics (AI, EPS, SVG)
- RASTER — pixel-based images (JPEG, PNG, TIFF)
- Other/Not Sure

## Important:

- Based on the proportionate size of any given image, it is nearly impossible to print an image in an exact location. These sizes you are requesting can only be approximate. However, you will receive a digital proof prior to printing.
- Image resolution must be in at least 150 DPI at finished print size, or vector-based graphics should be provided in vector-format whenever possible for best print quality.
- Image sizes requested are based on fabric width—not window opening size.
- Please see more information about Custom Digital Printing on Texton's File Submission Guidelines.

*Texton cannot reproduce images that are proprietary, trademarked, copyrighted, or forbidden by law.*

## GRAPHIC PLACEMENT
